

Nova 16-24 Lathe For Sale \$2000.00 Cash Only No Trades  
Local Pickup Joaquin, Texas 75954

Nova 16-24 Wood Turning in Lathe Excellent condition. This lathe is ready to move into your shop and start turning. 16" capacity over the bed and the Outboard Rig gives you 29" turning capacity. This lathe has a 20" extension totaling 44" turning length. The Bed Extension Hinge swings 180 degrees to get the bed extension out of the way when not needed. The Titan II 1.25/8 chuck is as strong as they come and the PowerGrip jaws and 50MM (2") jaws are included. The lathe comes with a 3" Nova Face Plate, 3" Tool Rest, 12" tool rest and a Nova WindSurfer tool rest. The Nova Live Center System is included. Also included are two spare lathe belts. Nova Hybrid Lathe Stand Included.

This lathe is ready to turn bowl and spindles just as it is. Just add wood and turning tools.

This is a complete setup ready to start turning as soon as it hits the floor

All these prices if purchased new.
